Learning Opportunity

Target Audience: Gr 4-12 instructional leaders, pre-service teachers and teachers are encouraged to attend.

Come explore 3 *do’s* and 3 *don’ts* that every French teacher should consider when teaching FSL. These 6 pieces of advice deal with both macro and micro ideas that can propel a language classroom forward. For example, explore how to bring scope, structure and predictability to your classroom to maximize language development while fostering a love of language learning itself. This session is for all French teachers, whether you’re an experienced language teacher or just starting out.

This session will be held in English; participants can communicate in the official language of their choice.
