Learning Opportunity

Target Audience: Gr 4-9 instructional leaders, pre-service teachers and teachers are encouraged to attend.

The Student Reading Video Project is an initiative designed to support students in Grades 4–9 who have gaps in their foundational phonics knowledge. This session will deepen educators' understanding of how to identify an appropriate starting point for phonics instruction with older learners. Camille will guide teachers through a structured, evidence-based phonics approach that uses on-demand student videos to strengthen decoding skills within a focused 10-minute intervention block. A brief follow-up conference between the teacher and student reinforces the phonics instruction by applying new learning to the reading of connected words and sentences.

Presenters

Camille Lezubski

is a graduate from the University of Calgary with a bachelor's degree in early in Childhood & Master's degree in Curriculum and Instruction. She has taught for 23 years and has had various roles in Calgary Catholic, Early Learning Consultant, Diverse Learning Coordinating Teacher, Kindergarten – grade 6. Camille is Certified as a Tutor practitioner in Orton Gillingham through Scottish Rite Learning Center Calgary. For the past 10 + years, she continues to remediate students in reading. Camille has 3 children, two in university and one in grade 9.
