Learning Opportunity

AUDIENCE: MIDDLE & HIGH SCHOOL ADMINISTRATORS, EDUCATORS AND COUNSELLORS ARE ENCOURAGED TO ATTEND.

Are you looking for a way to develop healthy relationships, and leadership for your students while also supporting their mental wellbeing? As we return to schools many students will be feeling disconnected and disengaged. Teen mentoring can help to create connections and has been shown to increase academic achievement, positive mental health and decrease unhealthy behaviours in both the 'mentor' and 'mentee'.

The objective of this Collaborative Community is to support regional and provincial networks of school-based mentoring educators and mentoring organisations and to provide the framework for a sustainable teen mentoring network.

For this purpose, supported by a grant from an anonymous funder in partnership with the Alberta Mentoring Partnership (AMP), AMP is offering a variety of opportunities to develop and strengthen teen mentoring in schools. This includes:

May 3 - Planning Your Mentoring Initiative

Part of the Collaborative is supporting provincial and regional cohorts. This series is a year long engagement, although you can sign up at any time! This enables schools and agencies and organizations to connect and share on an ongoing basis.

Participants are invited to register at any time and do not have to have attended previous webinars or workshops.

Through ongoing engagement in the Collaborative Community, participants will come together to share their experiences, successes, challenges and recommendations in regards to school-based mentoring.

We also encourage you to check out the Teen Mentoring in Schools Collaborative Community Network Portal, where you can connect with other schools, and school based mentoring agencies and organizations to share resources, activity ideas, and create ongoing discussion threads. Caroline Gosling

Caroline Gosling recently retired after 35 years as an educator with Edmonton Public Schools. During that time she taught at elementary, junior and senior high, was a behaviour consultant, a principal at four different schools and spent time seconded to both Alberta Children's Services and Alberta Education with a focus on supporting students who are vulnerable and creating welcoming, caring, respectful and safe learning environments. During her last secondment Caroline's main area of focus was mentoring, including supporting the Alberta Mentoring Partnership and setting up a Corporate Mentoring initiative at Alberta Education. For the last five years, Caroline has been a Big Sister and learned about mentoring from the 'inside'.
