Learning Opportunity

Target Audience: Gr 3-12 teachers, educational assistants, parents, administrators, and guidance counsellors are encouraged to attend.

This experiential session provides strategies for making content texts more comprehensible for multilingual learners at all stages of language development. You will leave the interactive workshop with a toolbox of supports and scaffolds you can implement right away.

Presenters

Beth Skelton

has over 30 years of experience as a language educator and holds a Master's Degree in Multicultural Teacher Education. She has worked with early childhood, elementary, middle, high school and adult language learners in rural, urban, suburban, and international school settings. Beth currently provides professional development, coaching, and consulting with schools around the world focused on providing equitable education for multilingual learners.

Registration Notes

This session will be recorded and available to all registrants for 30 days after the session occurs.

The session will occur in MOUNTAIN TIME.
