AUDIENCE: K-12 Educators, Support Staff, Administrators, and Counsellors are encouraged to attend.

Mentor recruitment is the process of promoting your mentoring initiative to potential mentors. It involves creating a strategy to attract participants (mentors) who can help guide mentees. The success of your mentoring initiative relies significantly on the quality of your mentors. Join us as we uncover different strategies to recruit mentors, both adults and teens, to your mentorship initiative.

Presenters

Caroline Gosling

Caroline Gosling recently retired after 35 years as an educator with Edmonton Public Schools. During that time she taught at elementary, junior and senior high, was a behaviour consultant, a principal at four different schools and spent time seconded to both Alberta Children's Services and Alberta Education with a focus on supporting students who are vulnerable and creating welcoming, caring, respectful and safe learning environments. During her last secondment Caroline's main area of focus was mentoring, including supporting the Alberta Mentoring Partnership and setting up a Corporate Mentoring initiative at Alberta Education. For the last five years, Caroline has been a Big Sister and learned about mentoring from the 'inside'.
